Premier Evaporator Coil

The Premier Upgrade for Any System

ADP premier evaporator coils match perfectly with your system, providing an upgrade over standard matched coils. ADP coils are thoroughly tested to ensure optimal quality and deliver reliable ratings. They are uniquely designed to save customers time on installation, while ensuring a leak-free system. ADP premier evaporator coils are the perfect solution for your application.

Built-In Plenum Flanges

Built-in plenum flanges with rounded corners allow for fast and safe installation

SKU Optimization

Aluminum or copper coils provide flexibility for local markets

Leak Free Rubber Plugs

Suction and liquid lines do not require cutting for installation

Non-Captive Top Panels

Provides fast and easy coil access without the need to cut refrigerant lines

1% or Less Cabinet Air Leakage

Allows for quick and easy installation without taping seams

Improved Air Quality

Microbes can double every 20 minutes on an untreated surface!

Standard plastic pan with visible mold

Plastic pan with Microban® antimicrobial additive

Mold is part of our environment and there are no practical ways to completely eliminate mold spores.

The best defense against mold in a home is to prevent it from taking hold through moisture control and the use of mold resistant building materials.

Perfect Attic Solution

Dedicated horizontal coils offer a quality advantage over standard multi-position coils!

Perfect Furnace Fit

Coil height matches furnace width, no adaptor required

5 Ton Attic Access

21" solution easily passes through 22" attic opening

Top Refrigerant Connections

Eliminates counter flow and line re-routing

THE ADP ADVANTAGE

PROTECTION	ADP is the exclusive provider of coils featuring antimicrobial product protection by Microban®, a recognized consumer brand.
QUALITY	ADP proprietary testing technology ensures leak-free performance at the higher operating pressures of R-410A systems.
SERVICE	ADP coils are made for seamless installation and easy access.
ENERGY SAVINGS	Many models are available to achieve higher SEER levels for ENERGY STAR compliance, utility rebates, and federal tax credits.
WARRANTY	ADP coils come with a no hassle 5-year warranty and feature an available 10-year limited warranty. Simply register online at www.ADPwarranty.com .
